

# Handheld/Showerhead Combination Sets

OLYMPIA®

NEW

P-4560-BN

Olympia Faucets proudly presents two new additions to our shower lineup. These innovative offerings prioritize ease of installation, reliability, and customer satisfaction. The P-4335 features a handheld showerhead with an angle-adjustable bracket, providing versatility for various installation scenarios. Meanwhile, the P-4560 offers a dual showerhead system, with a single-function main showerhead and a nine-function handheld option, catering to diverse user preferences. With Olympia Faucet, you can trust in quality products that meet the demands and exceed expectations.
