i1 Series

Contemporary design shouldn't have to be expensive. That's why the new i1 series from Olympia integrates a sophisticated, modern style with a high-quality, value-driven product line. The sleek, minimalist design creates a high-end styling solution — without the high-end price tag. Built to exceed regulatory requirements, i1 series faucets and fixtures are easy to install, low maintenance, and incorporate the latest water saving technology. Each i1 faucet is 100% factory tested for durability and longevity backed by Olympia's superior service, delivery, and industry-leading lifetime residential warranty.
