i2 Series

Contemporary design shouldn't have to be expensive. The Olympia i2 series integrates sophisticated modern style with a high-quality, value-driven product line. Built to exceed regulatory requirements, i2 series faucets are easy to install, low maintenance, and incorporate water-saving technology. 100% factory tested which provides increased durability and longevity compared to competing products. Each i2 faucet is backed by Olympia's superior service and delivery, and a lifetime warranty that is unmatched for products in this class.
